

COVID-19 Member Support Guide

Testing, treatment, and vaccine information.

\$0 COVID-19 Testing and Treatment

Friday Health Plans will cover testing and treatment of COVID-19 at no cost to members—no coinsurance and no copays.

Connect with remote doctor resources for free—sign up for Teladoc

You can talk to a doctor by phone or live video at no cost through Teladoc. Doctors can answer questions about the coronavirus, evaluate your health risk and provide support to help relieve symptoms. Be sure to sign up first at: teladoc.com/fridayhealthplans.

Home health coverage

If you are determined by a medical provider to need home healthcare, you can be appropriately monitored and treated at home, and covered for necessary medical equipment and medications for in-home treatment. This may include the following durable medical equipment and medications as deemed medically necessary by the treating provider: oxygen, any medications determined to be medically appropriate for the treatment of COVID-19, home infusion therapy, and electrocardiographs/cardiac monitors.

Prescription refills

Friday Health Plans will cover an additional one-time early refill of any necessary prescriptions to make sure you have medications in the event you need to limit contact with others.

Friday Health Plans will cover the vaccine at \$0 to members

If you are required to pay upfront at an out-of-network provider, you can submit a request for reimbursement by sending a copy of your receipt and itemized statement from the provider to questions@fridayhealthplans.com. Please make sure the statement includes your name, member ID number, service date, amount paid, and services charged.
