

RE: Important Notification – Individual Plan Discontinuation – ACTION REQUIRED.

Dear «Policyholder»:

We would like to notify you that your current policy will be discontinued or not renewed at least ninety days from now, on December 31, 2017, because Friday Health Plans of Colorado (formerly Colorado Choice Health Plans) will no longer offer your current health plan in the State of Colorado.

This discontinuance triggers a special enrollment period which allows you to select a new health plan. You will have sixty (60) days before your plan ends and sixty (60) days after the date your plan ends to enroll in a new plan.

You may begin shopping for a new health plan immediately to replace the plan that is ending, and you can enroll in a new health benefit plan up to sixty (60) days before your current plan ends, but you will need to be able to provide proof that your current plan is ending to the carrier of the plan you want to enroll in.

This notice can serve as the proof required for enrollment in a new plan. Knowing your plan is ending gives you the ability to enroll in a new plan with coverage beginning no earlier than the day this coverage ends so that you may avoid a gap in coverage.

Your options include:

- Purchasing another individual health plan directly from us. Call the Friday Sales Center at **719-836-8076**, Monday through Friday 8am – 8pm, Saturday and Sunday, 9am – 5pm. Or shop online at www.fridayhealthplans.com.
- Purchasing a plan from another carrier; or
- Purchasing a new plan through Connect for Health Colorado, where you may qualify for federal financial assistance (www.connectforhealthco.com / Toll-Free: 855-752-6749).

You can contact us, your insurance advisor, or Connect for Health Colorado for assistance and additional information.

Respectfully,

The Friday Team
