
 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-475-8466 . For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.cciio.cms.gov](http://www.cciio.cms.gov) or call 1-800-475-8466 to request a copy.

| Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall <u>deductible</u> ?                             | <b>\$3,350 Individual/\$6,700 Family</b>  | If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of deductible expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your <u>deductible</u> ? | <b>Yes. Preventive care, 3 PCP visits and 1 eye exam.</b>   | This plan covers some items and services even if you haven't met the annual deductible amount. But a copayment or coinsurance may apply. For example, this <u>plan</u> covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .       |
| Are there other <u>deductibles</u> for specific services?           | <b>No.</b>  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?       | <b>\$7,900 Individual/\$15,800 Family</b>   | If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?            | Premiums and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| Will you pay less if you use a <u>network provider</u> ?            | Yes. See <a href="http://www.fridayhealthplans.com">www.fridayhealthplans.com</a> or call 1-800-475-8466 for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (a balance bill). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?          | <b>No.</b>  | You can see the <u>specialist</u> you choose without permission from this plan for consults. Procedures or other services may need a referral.   |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
